

## Table Tennis Competition 23-02-2017

We received this report today, well done everyone!

Good Afternoon,

Last night's event was well attended and I'd like to praise every pupil for their outstanding behaviour, as representatives of their schools. The quality of competition was high but everyone had fun nonetheless.

**Congratulations to the finalists; Croston Trinity & St Michaels' Boys team, Anderton St Josephs, Croston Trinity & St Michaels Girls team and Rivington Foundation Primary.**

The historic, annual event saw the reigning Champions, Croston Trinity & St Michaels were able to deny Anderton St Josephs the gold again, who took a very respectable silver.

A huge thank you goes to the teachers & parents who enabled the pupils to attend and also to the hosts Albany Academy, especially their volunteers, who helped to set up and officiate the games.

Tom Halstead  
Community Development Support Officer  
Chorley Council

Super representatives for our School!  
Thank you Mrs Corlett for taking our team!
