## **Parent Curriculum Questionnaire**

Dear Parents/carers,

We are currently collecting views from teachers, parents, governors and children about our curriculum. We would like to know what you would like your children to have experienced by the time they leave Rivington, through the different subjects, experiences and opportunities we provide for them.

Following this we are hoping to tailor our curriculum provision to meet these requirements as much as possible.

We would really appreciate your time to complete the questions below and return to school by **Friday 13th June.**

Are there any subjects you would like to be taught/taught more?	
What skills should our curriculum promote?	
What knowledge should our curriculum promote?	
What talents should our curriculum promote?	
What experiences should our children have in school?	
What interests does your child have that could be incorporated into our curriculum?	
What do you want/what do the children need from our curriculum?	

Thank you for your opinions and continued support.

Best wishes,

*Sarah Annette*
