18.10.2020

Dear Parents/Carers,

I hope this letter finds you well.

As I am sure that you are aware, Lancashire has now been placed at Tier 3 COVID alert level.

In order to try and help the school reduce the possibility of the spread of COVID virus, I am again requesting that all adults wear a mask whilst on school grounds from Monday.

I would also ask that at pick-up, parents/carers collect their child from the school grounds and leave immediately. Please do not approach a member of staff unless you absolutely have to. We are happy to answer any questions or concerns you may have via the school office phone, bursar@rivington.lancs.sch.uk/ head@rivington.lancs.sch.uk or SeeSaw.

Keeping social contact to an absolute minimum will hopefully keep everyone as safe as possible.

Please be aware that new cordoning will be in place on Monday pick-up which means that parents/carers will need to walk into the large section of the playground to collect their child (around the large acer), across the large flags and up the steps to exit – we do not want anyone slipping on the grass area which is now becoming a little too muddy.

Thank you for your continued understanding.

Best Wishes,

Sarah Annette

Headteacher
