Dear Parents,

Unfortunately, due to Covid-19 restrictions we are unable to allow Parents/Carers to watch Christmas Productions this year. This does not mean that Rivington will be stopping our usual traditions - all the children will be performing this year and will be videoed doing this on the afternoon of Monday 7th December.

The video is being filmed by Chorley Video Productions - a professional company who have been videoing shows and performances in Chorley schools for over 30 years. They came highly recommended and were already booked in with four other schools in our cluster alone.

We know that this is not the same as a live performance but we hope that you being able to purchase a professional DVD or USB to watch together at home will be the next best thing. There will be a charge of £7.10 per DVD and £10.10 per USB.

If you would like to pre-order a DVD or USB, can you please fill in the order form below. Orders will need to be sent into to school by **Monday 7th December 2020**. **Payments will be placed on ParentPay and DVDs and USBs will be sent out once these payments have been received.**

Many Thanks and Christmas Blessings,

Mrs. Annette
