This year we will be holding a 'Jim Jam Jog' which will take place on **Friday 28th of May**. This will take place in the school grounds and the children will be provided with breakfast following the event. Each of the year groups will have a specific number of laps as their target which we hope they will meet, but will not be allowed to exceed. The children will be encouraged to meet their target but if they get too tired they can drop out at any time.

The children should arrive at school at their allotted time wearing their pyjamas and trainers. If it is wet we are still going ahead but clearly rain coats will be necessary. The children then run their laps followed by breakfast in their classrooms provided by school. After breakfast, the children may stay in their PJ's for the rest of the day.

We are also asking all the children to donate a tin of food/fruit or toiletries for the Living Waters Storehouse - Chorley Foodbank on the day which we will deliver to the food store.

The sponsor form for the event is attached to this letter and we do hope that you will encourage your child to do as well as possible. As school budgets are so stretched this year we really do need your support more than ever! All money raised will go towards improving the reading scheme in school - ensuring all home-readers are fully decodable up to phase 5 (Y1) and supplementing all the older year groups with new, relevant and exciting titles. We are estimating that this will cost at least £3000 - so will be our fundraising focus for all upcoming events.

If at all possible we would like the sponsor money and gift aid form to be back in school for Friday 18th of June (After the half-term break)
