Dear Parents,

Unfortunately, due to Covid-19 restrictions we are unable to allow Parents/Carers to watch Christmas Productions this year. This does not mean that Rivington will be stopping our usual traditions - all the children will be performing this year and will be videoed doing this on the afternoon of Monday 7th December.

The video is being filmed by Chorley Video Productions - a professional company who have been videoing shows and performances in Chorley schools for over 30 years. They filmed our productions last year and did a brilliant job!

We know that this is not the same as a live performance but we hope that you being able to purchase a professional DVD or USB to watch together at home will be the next best thing. There will be a charge of £7.10 per DVD and £10.10 per USB.

If you would like to pre-order a DVD or USB, can you please fill in the order form below. Orders will need to be sent into to school by **Monday 6th December 2020**. **Payments will be placed on ParentPay and DVDs and USBs will be sent out once these payments have been received.**

Many Thanks and Christmas Blessings,

Mrs. Annette
