- Milestone Online Safety Bill will help safeguard young people and clamp down on racist abuse online
- Bill to be published today includes new measures to uphold democratic debate online
- Financial fraud on social media and dating apps included to protect people from romance scams and fake investment opportunities

New internet laws will be published today in the draft Online Safety Bill to protect children online and tackle some of the worst abuses on social media, including racist hate crimes.

Smoothwall Games

Among Us

Among Us is a game set on a spaceship played with 4-10 other players. Players can choose to join a game with people they don't know or create their own private game with friends. The game randomly selects one of the players to be an 'imposter' who the other players must defeat to win the game. You can play it on mobile and desktop.

Watch on YouTube

The image shows a YouTube video player interface. At the top left is the hashtag #GurlsOutLoud. The video content has a red background with a white play button in the center. The text "GURLS OUT LOUD" is written in red, blocky letters. Below it, the message "BLOCK. REPORT. TELL SOMEONE YOU TRUST." is written in large, bold, yellow letters. In the top left corner of the video frame, there is a small globe icon and the text "Block. Report. Tell Someone you Trust.". In the top right corner, there is a "Copy link" button. At the bottom left of the video frame, there is a "Watch on YouTube" button with the YouTube logo.

Smoothwall Broadband & Mobile Networks

Broadband & mobile networks

Broadband, mobile and WiFi providers offer filters to limit the inappropriate content a child might see. As these typically have to be set manually, you'll find a comprehensive list of parental control guides that we've created to make this process easier to follow with our step by step videos and visual instructions.

Smoothwall Report remove

HOW TO GET YOUR IMAGE REMOVED

If you're under 18 and a nude image or video of you has been shared online, you can report it and to be removed from the internet. You'll need to:

- Select your age and follow the steps below.
- Create a Childline account so we can send you updates on your report.
- Report your image or video to the Internet Watch Foundation (IWF).

**Nude image of you online?
We can help take it down.**

To help you get your image removed we need to know how old you are.
Please select your age using one of the buttons below.

Under 13 years old

13-15 years old

16-17 years old

18 and over

smoothwall®

A grayscale photograph of two young children, a boy and a girl, sitting at a desk and looking intently at a tablet computer. The boy is on the left, pointing at the screen, and the girl is on the right, looking on. The background is a blurred classroom setting.
