CHILDREN'S DESIGN A GARDEN COMPETITION

Enter now

We are looking to inspire the next generation of garden designers by bringing their garden designs to life.

Last year we created 2 excellent show gardens especially for the Chorley Flower Show with winning entries from this very competition! We will take design aspects from your garden designs to create a show garden or to possibly recreate your whole garden designs for the show.

The winning entries will receive free entry for themselves and their family to attend the Chorley Flower Show 2022 and see their creations brought to life.

Deadline for entries is **Sunday 15 May at midnight**.

There are 2 group categories 5-11 years (Primary) and 12-16 years (Secondary)

Design a show garden set against your own brief which should include:

- o Describe your garden
- o What is the garden used for?
- o What are the main plants and features?

You can theme your garden on any ideas and you can be as creative as you like!

Designs should be on a maximum of A4 size paper.

Our panel of experts will judge the garden designs and consider how realistic the garden is to recreate.
