

This year we will be holding a 'Jim Jam Jog' which will take place on **Monday 23<sup>rd</sup> of May**. This will take place in the school grounds and the children will be provided with breakfast following the event. Each of the year groups will have a specific number of laps as their target which we hope they will meet, but will not be allowed to exceed. The children will be encouraged to meet their target but if they get too tired they can drop out at any time.

The children should arrive at school at their allotted time wearing their pyjamas, trainers and, if they would like, a Platinum Jubilee themed item - this could be a crown, cloak, Union Jack etc. All we ask is that you please ensure your child's clothing is suitable for running in! If it is wet, we are still going ahead but clearly rain coats will be necessary. The children then run their laps followed by breakfast in the Church Hall - provided by school. After breakfast, the children may stay in their PJ's for the rest of the day.

**We are also asking all the children to donate a tin of food/fruit or toiletries for the Living Waters Storehouse - Chorley Foodbank on the day which we will deliver to the food store.**

The sponsor form for the event is attached to this letter and we do hope that you will encourage your child to do as well as possible. As school budgets are so stretched this year we really do need your support more than ever! All money raised will go towards:

1. Improving the wider curriculum provision for all children- including PE, History, Geography, Science, Art, DT, Music and Modern foreign languages. We are estimating that this will cost at least £2000.
2. Helping to resurface the School Playground/Drive including new markings.

If at all possible we would like the sponsor money and gift aid form to be back in school for **Friday 17<sup>th</sup> of June** (After the half-term break)
