

## A note from the Chair

Firstly, on behalf of the whole PTFA, we would like to thank everyone for their support so far this academic year!! Of course our long term aim continues to be to raise funds for much needed playground equipment, but this is not going to happen overnight and we are hoping that you will start to see some of the developments in this next year! Over the next few months, we are going to be holding a number of events for the children, and their families, that brings back the family spirit to our school that perhaps the Pandemic made us put on hold! Mothers Day secret shop, Easter Wreath Making, Easter Bingo, Kings Coronation memorabilia, and a UV Disco are all in the process of being planned by the current PTFA Team. This will then be followed by the year fundraising finale of a Traditional Summer Fair! We hope that not only will these events help us raise the vital funds we need, but will also be events that you and your children want to be part of so we can be a true 'TEAM RIVI'!

## Why do we have a Friends of Committee?

The Friends of Rivington Foundation School is a registered charity whose aim is to raise money in a fun and sociable way, to provide the school with extra funding.

This is then spent on equipment and resources to enhance your child's educational experience and the school's facilities.

## What have the Friends of Committee funded?

Our main fundraising for this year will be for playground improvements and play time provisions, watch this space for further updates.

We have funded the new CUSP teaching programme for Geography and History and subsidised the pantomime trip in December 22.

## Event Information

Full information and event details will be released closer to each event. Our aim will be to release information in the headteachers newsletter, text messages and on the Mums and dads page on Facebook.

## Easyfundraising

We've registered Friends of Rivington Foundation Primary School with #easyfundraising, which means over 7,000 brands will now donate to us for FREE every time you use #easyfundraising to shop with them.

These donations will help SO MUCH, so please sign up to support us – it's completely FREE and doesn't take long. We have currently raised Nearly £800 from just 19 Supporters, imagine what we could raise if everybody joined!
