# Introducing Monster Phonics

## THE CHILD-CENTRED APPROACH TO LEARNING PHONICS

At Monster Phonics we are passionate about making phonics memorable, engaging, and easier to teach.

Our range of excellent resources are designed to be truly multisensory and have been validated by the Department of Education, ensuring proven impact on learning.

The innovative colour-coding system dramatically accelerates learning to read and spell. We are the only scheme that uses colour-coding for sound and audio-visual cues (monsters) to bring learning phonics to life.

Monster Phonics is fully compatible with all other schemes, and we are passionate about giving all children equal opportunities to learn effectively.

# Meet the Monsters

**Angry Red A**

makes the **A** sound.  
ma**de** da**y** ra**in**

**Green Froggy**

makes the **E** sound.  
tr**ee** ha**ppy** dr**ea**m

**Yellow I**

makes the **I** sound.  
m**y** t**i**me f**i**nd

**Miss Oh No**

makes the **O** sound.  
so**ap** n**o**te r**ow**

**U-Hoo**

makes the **U** sound.  
cu**te** fe**w** uni**fo**rm

**Cool Blue**

makes the **oo** sound.  
r**oo**m fr**ui**t so**u**p

**Brown Owl**

makes the **ow** sound.  
do**wn** o**ut**

**The Silent Ghosts**

are the silent letters,  
they make no sound.  
wh**e**n fr**i**end kn**ow**

**Tricky Witch**

casts spells on gold letters  
to change their sound.  
★ ★ ★  
wa**n**ts sa**i**d lo**v**e

**The Black Cats**

are the phonetic letters.  
bl**ac**k ca**t** we**n**t

Monster Phonics helps children to read by using colour  
to link each grapheme (letter or group of letters)  
to the sound.

# Multi-Sensory Resources

EXPLORE OUR ONLINE SHOP  
TO SEE ALL OUR MULTI-SENSORY RESOURCES

## FLASHCARDS

Accelerate learning with Monster Phonics colour-coded double-sided flashcards. Our double-sided flashcards show the colour-coded word on one side and plain text on the other.

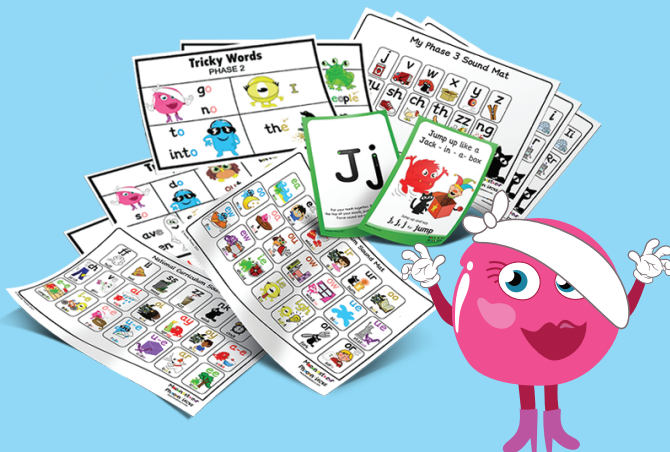

- First 100 High Frequency Words - **£12.99**
- Next 200 High Frequency Words - **£22.99**
- Common Exception Word Flashcards - **£12.99**

Full set of flashcards used by schools to cover the key examples of every grapheme in the curriculum - **£199**

## SOUND CHARTS

The sound charts are an excellent tool to aid learners during the writing process. The sound charts use Monster Phonics colour-coding for sound to group graphemes, making learning easier.

- 100 Tabletop High-Frequency Charts: **£12.99**
- 200 Tabletop High-Frequency Charts: **£12.99**

## POSTERS

Embed the Monster Phonics approach with these attractive posters.

- A1 Sounds Poster: **£12.99**
- A1 100 High-Frequency Word Poster: **£12.99**
- A1 Next 200 High-Frequency Word Poster: **£12.99**
- A1 Tricky Words Poster: **£12.99**
- A4 Grapheme Posters (set of 10): **£12.99**

## MAGNETIC LETTERS

Each grapheme is represented, allowing children to build and manipulate words in a hands-on, visual way.

### How to use the magnetic letters kit

Start by using the magnetic letters to build simple words, either high frequency words or phonic letters. Highlight the key features of each word, pointing out the silent letters, tricky letters, and long vowels. Talk about the sound that each grapheme makes, using the sounds to support.

Hold, touch and move the letters around to ignite multiple senses to support memory. For example, ask learners to feel each letter with their eyes closed. Encourage learners to say the sounds and read the words.

Continue to make and remake, noticing interesting features about the shape of the word. For example, 'day' has the 'ay' grapheme that makes the long A sound.

■ Magnetic Letters **£42.00**

■ Pricing does not include VAT ■

## THE MONSTER CHARACTERS

Bring the Monster Phonics characters to life with a complete set of 10 learning toys to make learning interactive and engaging.

■ Toy Characters: **£99.00**

## REWARD STICKERS

Boost motivation by giving children a tangible sense of achievement with our Monster Phonics stickers.

■ Set of 1200 Monster Phonics Stickers **£24.00**

■ Set of 2400 Monster Phonics Stickers **£34.99**

■ Pricing does not include VAT ■

# Grapheme Flashcards

## RECEPTION GRAPHEME FLASHCARDS

51 A5 Cards Ideal to use to teach and revise of the Reception graphemes. Each card shows the grapheme on one side and a clear, engaging picture cue on the other.

■ Reception Grapheme Flashcards **£42.00**

## KS1 GRAPHEMES

72 A5 Cards Ideal to use to teach and revise the KS1 graphemes. Each card shows the grapheme which is colour-coded on one side and in plain black text on the other.

■ KS1 Graphemes **£21.99**

■ Pricing does not include VAT ■

# Home Learning Starter Pack

Support your little learners at home with our Home Learning Starter Pack which has been carefully crafted to make learning at home easier and comes with great savings. Visit our online shop to find out more.

## WHAT IS INCLUDED:

### SET OF 4 TRICKY AND DECODABLE CARDS

- Letters and Sounds Phases 2 to 5
- A5 Double-Sided
- 1 x A4 Phonics Sounds Card
- 1 x A4 100 High-Frequency Word Card
- 1 x A4 200 High-Frequency Word Card

### 4 SPELLING BOOKS

- Year 1 – Book 1A and Book 1B
- Year 2 – Book 2 and Book 2B

Each book shows colour-coded spelling lists for every grapheme in the Spelling Curriculum.

The Monster Phonics Spelling Books cover all KS1 graphemes, spelling rules, high-frequency, and common exception words.

### 10 GRAPHEME POSTERS

- one for each Monster
- show the spellings that make each sound in the English language.

- Home Learning Starter Pack **£28.79**  
(includes UK shipping + VAT)

# Home Learning Deluxe Pack

Our Home Learning Deluxe Pack includes our most sought-after multi-sensory resources all in one place to support your learners at home.

You'll also enjoy great savings with this bundle.

## WHAT IS INCLUDED:

- The entire Home Learning Starter Pack
- The Magnetic Letters Kit
- First 100 High-Frequency Word Flashcards
- Next 200 High-Frequency Word Flashcards

- Price: **£89** (includes UK shipping + VAT)

# Comics

Our new comics are designed for children who need an extra boost to help acquire core phonics skills. Twenty engaging comics in Set 1 feature a cast of superheroes that children love. The comic book format is easy to follow.

Colour is used to help children to read keywords. Each comic helps children to practise reading the most common graphemes and high-frequency words.

■ Price: **£59.99** (includes UK shipping + VAT)

■ Pricing does not include VAT ■

# Top Tips

**To make your reading experience even more enjoyable, we've compiled seven top tips for reading with your child:**

1. Find a comfortable place to read together.
2. Take a moment to look through the comics together. They are visually engaging and captivating.
3. Pay attention to the badge in the top corner of the title page. It indicates the grapheme(s) that are the main focus. These graphemes will be highlighted in the text, so be sure to emphasize them when reading.
4. Read the comic aloud to your child and model good reading habits. For example, demonstrate how to read sentences with question marks or exclamation marks.
5. Repeat reading the comics multiple times. Repetition helps reinforce learning.
6. Encourage imaginative play using the characters from the stories. Help your child draw or write their own comics, incorporating the target graphemes from the comic you are reading.
7. Lastly, allow your child access to all the comics in Set 1. If they show enthusiasm and motivation to read, let them dive into the comics wholeheartedly.

# Monster Phonics Books

We have the most engaging range of decodable readers of any validated phonics scheme. Young learners love the world of the monsters and actively enjoy their reading experience.

Our books follow a very careful progression which is a hallmark of premier phonics schemes. We use colour-coding to help children identify the key graphemes in a text. This scaffolding is then reduced once the grapheme has been learned.

We have over 250 books at different levels including fiction and our non-fiction.

Check out our full range at our online shop –  
<https://monsterphonics.com/shop/>

# Parent eBook Membership

Subscribe for just **£12.99** per month and gain access to our colour-coded reading scheme of 130 books.

Each engaging story focuses on one key grapheme and essential high frequency words to develop fluency.

## Attend a Parent Webinar

Our parent webinars will guide you to better understand the systematic teaching of phonics – how your child learns to read and spell.

Our parent webinars will provide examples of how to use Monster Phonics to accelerate learning for your child and provide fun and engaging strategies to use at home to improve reading and spelling.

Find our events on [Eventbrite.co.uk](https://www.eventbrite.co.uk)

# Helping All Learners Thrive

At Monster Phonics, we are passionate about helping every child learn and thrive. That's why we've developed our resources and tools in the UK and internationally to develop our scheme and tools to meet their specific needs.

In addition, we deliver free parent webinars on supporting children with additional needs. Book onto our webinars through [eventbrite.co.uk](https://www.eventbrite.co.uk)

Our colour-coded approach is proven to facilitate the development of reading skills for SEND children. We use memory aids like monsters to provide further hooks for learning sounds.

Our materials are advertised online by the British Dyslexia Association.

We also support Patoss and various SEND organisations around the world.
